SKILLS

Qualitative data analysis. NVivo software.

Survey design, distribution and data processing. Software SPSS and STATA.

Experimental design for psychological and neurological tasks. Basics of Presentation (stimulus delivery and experimental control software for neuroscience) and SPM-Statistical Parametric Mapping for neuroimaging data.

NON-ACADEMIC EXPERIENCE

Consulting

2000-2006 In collaboration with the Colombian Ministry of Foreign Affairs worked as Junior Consultant for various applied research projects for small and medium sized companies. The projects involved companies in manufacturing and services sectors. The topics focused mostly on innovation and new product development and internationalization strategies.

Volunteer experience in social enterprises

2016 – current *Volunteer Society Nepal*: an NGO that promotes education in economically poor regions of Nepal. In-site supported an innovation in teaching initiative, coached a group of 16 teachers on how to design student-centered lessons and incorporate novel methods for their teaching. In-site worked at a Women Center and an Orphanage in Katmandu. Continued remote involvement with the NGO.

2003-current *Cootregua*: a cooperative that promotes entrepreneurship in economically poor regions on the east forests of Colombia. Worked providing external support in the promotion of entrepreneurship –particularly among women- and small economic initiatives. Continued remote support to the Director on topics related to social innovation.

2005-2006 *Agrosolidaria*: a social network that promotes the consolidation of rural micro enterprises that produce and commercialize ecologically and socially responsible products in Boyaca, central Colombia.

2005-2006 *InterAmerican Development Bank*: creation of economically, socially and environmentally sustainable business. The involved community was a very-low income population oppressed by armed conflicts in the south of Colombia.

Pre-doctoral Research Experience

2002- 2006 Research Assistant and later Instructor at School of Management, Universidad de los Andes in Bogota, Colombia. I actively contributed to the following research projects:

SMEs Innovation Models and Intellectual Property Rights (Jan. 2004 – Sept. 2007)

SMEs Export Potential in Five Colombian Regions. (August 2003 – August 2006)

SMEs Strategic Alliances to Export (August 2003 – May 2005)

Marketing for Service Sector SMEs (January 2003 – March 2004)

Social Entrepreneurs Program (February 2002 – August 2006) A joint project between Universidad de los Andes and the Social Enterprise Knowledge Network from Harvard University.

OTHER

Languages English (fluent), Spanish (native), Italian (fluent), French (proficient but getting worse), Portuguese (upper intermediate), German (basic – currently studying level B1).

Citizenships Colombian and Argentinean
